LONG ISLAND PRESS RELEASES

For Immediate Release: July 12, 2011

[4th Annual MBPOA "Music By The Bay" Sunset Concert Features Local Talent](#)

[Long Island Press Releases](#) —

The Mastic Beach Property Owners Association's annual sunset concert, **[SPECIAL REPORT]** "Music By The Bay" will feature live music by local talent on Saturday, July 23rd from 6-10PM at the MBPOA's Marina One.

(Mastic Beach, NY) — Live music concert at sunset will again be the highlight of the Mastic Beach Property Owners Association's 4th annual "Music by the Bay." The free-to-the-public family event will take place at Marina One, located at Riviera Drive and Elm Rd in Mastic Beach on Saturday, July 23rd, from 6 to 10p.m..

This year, Music By the Bay will be featuring home gown local talent. The line up includes the **'Sheppard Brothers Band'**, 'Delany Haffney', and 'Hallowed Ground'. All the bands feature students and alumni from William Floyd School District.

'The Sheppard Brothers Band' will be back, by popular demand, to 'Music by the Bay'. They will be performing their danceable rock, pop, and funk. The band includes the talented Kenya Sheppard, 15 years old, on lead guitar and vocals; Camara Sheppard, 13, on piano and backup vocals; Ryan McCloskey, 17, on drums and back up vocals; and Angelica Franzino, 17, on bass, guitar, and vocals. The Sheppard Brothers Band has performed all over Long Island and New York, and we are fortunate to have them back for as part of our music festival.

'Delaney Hafener' is a 15 year-old singer/songwriter from Shirley. She plays electric bass as well as acoustic guitar, and dabbles with many other instruments, including harmonica and banjo. She has appeared at 'Rosie's Handmade Revolution' in Bellport and 'Painter's' in Brookhaven. Delaney will be accompanied on guitar by her dad, Bill Hafener, former member of the indie-rock band 'The Skels'. On drums is Al Criscuolo, a veteran drummer for many Long Island bands. Together they supply a powerful sonic backdrop for the young singer, who performs a wide variety of cover songs along with power pop originals. Her covers include Johnny Cash, Katy Perry, Green Day, Linda Rondstadt and the Ramones.
